## What People Are Saying About Rapid Transit

Members of the Citizens Committee on Rapid Transit this weekend interviewed a sampling of residents in the area to be directly affected by the routing adjacent to the Santa Fe right-of-way and in the area of the station, if requested by the City Council.

Without exception, those interviewed were opposed both to transit and the station. Mothers of small children were afraid of the traffic hazards, senior citizens objected to the increase in taxes, homeowners in adjacent areas are opposed to the unsightly overhead.

Others said they like Albany as it is and they will sell their homes if voters approve Rapid Transit.

Here are typical comments: Mr. and Mrs. T. A. Hutt, 842 Masonic: "... vehemently opposed. We will never use it ... deplore higher taxes."

Mrs. Susan Thomson, 915 Key Route Blvd.: "If the route adjacent to Santa Fe right-of-way is used, we will probably move. If a station is built at Solano, we will definitely move because of traffic hazards to our children. We will try to relocate in Albany."

## Open Letter to Citizens Of Albany

We, the members of the Citizens Committee on Rapid Transit, have been given the responsibility to ascertain public views on Rapid Transit, its effect and impact on the city of Albany and to advise the Council and the public.

Bay Area Rapid Transit officials have rejected the freeway route for Albany and have offered the city a station, if requested. This raises the following questions: Do we want a station? Can we afford it? Will it help or hinder the city of Albany in its future growth?

If a station is located here it will remove all of the houses and business property between the west side of Key Route Blvd., and the east side of Masonic, from Marin Avenue to Washington.

**WE NEED YOUR HELP.** Please express your views by filling in the public opinion poll to be published for the next few weeks in the Albany Times or through letters or phone calls to members of this committee or your Councilmen. Messages may be directed to City Hall.

Do you plan to vote in favor of Rapid Transit?

As long as Albany is going to have to accept the Santa Fe routing along Masonic, do you think the City Council should attempt to get a station located here?

## Three AFS Students Enjoy Visits in Albany Homes

A pleasant postscript to this year's American Field Service program in the U.S. is presently being enjoyed by three Albany families who are hosting three foreign students for a month.

These three — Lui Chen Hwa (Mimi) from Laos and Eddy Subur and Basjaruddin (Din), both from Indonesia, are part of a group of approximately 100 AFSers from such countries as Australia, New Zealand, Indo-

nesia, Japan and Laos who have spent their AFS year in the east and midwest and are here awaiting transportation home on August 10.

Eddy, 18, who is from Bandung, capitol of West Java, Indonesia, spent the last year in Marion, New York, and is now a guest of the Grafton Geerings, 1439 Marin Avenue. Eddy has particularly enjoyed the opportunity to get to know Martha Geering who was an AFSer in Bandung for six months and attended the same high school Eddy had attended, the SMA-CV. On her return home, Eddy will enter college to study law.

Mimi, 16, who is from Vientiane, capitol of Laos, spent the year in Rochester, New York, and is now with the Leslie Hanelts, 810 Pierce Street. Mimi will be returning to high school in Laos where she has two more years before graduation.

Din, 20, from Bengkulu, Indonesia, stayed in Moravia, New York this last year, and is now living with the Ben Logans, 604 Sab Carlos Avenue. There is much AFS conversation in the Logan home as Mrs. Logan is immediate past president of the Albany Chapter and Ken Logan was one of the first Albany students to go abroad under the AFS Program — to Germany in 1957. When Din returns home he will enter college where he plans to major in business.

Although the three students are anxious to get home, they are all enjoying the opportunity to see San Francisco and the Bay Area.

## H. F. Call Back From Fall Buying Trip

H. F. Call of Call Brothers Jewelers and his children, Charles, 17, and Deanna, 15, have returned from a three-week business and pleasure motor trip, during which they traveled 7,500 miles.

While in New York City, Call did his fall buying, including Bulova's new Caravelle watch line, a precision jeweled watch which starts at a price of \$10.95 and is designed to compete with lower line watches which cannot be repaired by a jeweler.

The Albany jeweler also purchased diamonds and the latest ring mountings for his store and his 16 wholesale accounts.

During their trip, the Calls went through 22 states, visiting primary points of interest. Call said when Interstate 40, now being built, is completed, it will be wonderful for those driving coast to coast. The four-lane divided concrete highway by-passes towns. They seem to be rushing its completion, he said, because they were working on it even at night.

## Christmas Decorations Discussed

Members of the Albany Chamber of Commerce Christmas committee have set another meeting this week to further discuss plans for holiday street decorations.

Thomas Gabriele was chairman of the meeting last Wednesday night at the Chamber office. The group decided it may be wise to sponsor some sort of fund-raising event, possibly an entertainment at Albany Theater, to raise sufficient money to get off to a good start this year. This would broaden the base of support and afford all Albany residents an opportunity to contribute.

Another possibility discussed was asking individual merchants to be in charge of solicitations in their own blocks.

The committee, consisting of about 10 Chamber members, plans to install trees and to use the Christmas lights now on hand at various points throughout the city.

## Albany Woman Directs New Nursery School

Mrs. Ruth Garbarino of Albany is director of this area's newest nursery school, Skytown, at 1 Lawson Road, Berkeley, a parent-participation nursery, which will open September 10.

A community service of the First Unitarian Church of Berkeley, which is making its church school plant available, the school will be non-profit, non-sectarian, non-partisan and inter-racial. Applications for admission are now being accepted.

Four-year-olds will attend Skytown from 9:30 a.m. to noon on Mondays, Wednesdays and Fridays. Tuesdays and Thursdays from 9:30 to 12 are set aside for the three-year-olds. Tuition is \$15 and \$10, and a limited number of children of working mothers unable to contribute time to the program will be accepted at double the normal tuition. During the last two weeks of August, interested parents may visit the location of the school and talk to Board members.

Families who would like information on admission may call Trilby Kinzey, LA 4-5368, or Anne Bell, LA 4-1913, both of Albany. Other Board members are Elizabeth Fisher of Berkeley, chairman, and Doris Ribera of El Cerrito.

Skytown's director, Mrs. Garbarino, is exceptionally well-qualified, Mrs. Fisher said. For the past two years she has been director of the Castro Valley cooperative nursery school. She is the wife of an architecture student at the University of California and the mother of four children. She obtained her B.S. degree from the University of Wisconsin and also holds a California kindergarten credential.

## ANDREA WOLF RETURNS WEARING TWO-POUND BUTTON BAY SOUVENIR

It is big. It is bulky. It weighs two pounds. It is covered with souvenirs of almost every state in the union plus some foreign countries. It gurgles with bottles of water from such places as the Atlantic Ocean and the Old Mill Stream in Ohio. It rattles with jacks of rice, Kentucky blue grass, and an assortment of grains.

Beautiful it is not. Different and eye-catching it is.

And it is beloved above all souvenirs brought back from Button Bay, Vermont, by Andrea Wolf, Albany's lone representative at the recently concluded Senior Girl Scout Roundup.

"It" is Andrea's swap hat.

Still in the clouds, Andrea burbles enthusiastically about her experiences. In the middle of a sentence, she may jump up, grab her guitar and sing a new song

she picked up. Or squat on the floor and do a Hawaiian shell song. Or swing into double-talk, a confusing talent acquired at Roundup.

Her room is full of souvenirs, which she is trying to display attractively. A poplin jacket is covered with signatures. She has train menus, travel folders, postcards, Hawaiian necklaces, buttons, pins — you name it.

She can't wait to see the 300 Roundup pictures she took. She has taught her sister and brothers a German prayer song. Already she has forgotten how much it rained because it takes more than a deluge from the sky to dampen the spirits of a bubbling 16-year-old American girl.

She has seen Niagara Falls, toured Chicago, Salt Lake City and Montreal. She has new friends from all over the world and she has memories to last a lifetime of the days she spent in a tent city, which overnight became the sixth largest city in Vermont.

Her eyes glisten as she listens to recordings of her group of Girl Scouts singing for a radio announcer in Canada. The songs are a Girl Scout's plea for one world, peace, and the ability to sing and have fun as she travels the road of life. They reflect optimism and faith.

It will be weeks before Andrea gets over her excitement.

"I'll never have a chance to do it again," she says. "It's hard to believe it happened."

## Montana Picnic In Roseville

The second annual Montana picnic will be held all day Sunday, August 26, in Royer Park in Roseville.

Former Montanans have been asked to pack their own picnic lunches and join the crowd. Name tags will be provided.

Phil Hexom of Roseville is chairman of the event, which attracted about 100 persons last year.

## Letter to Editor

Editor, The Times:

Recently I had need of the emergency inhalator equipment and the aid of the Albany Fire and Police Departments and I want the citizens of Albany to be aware of the fine facilities we have.

All too often we take our public servants for granted and not until we need them and their fine skills do we realize how fortunate we are to live in a community where their services are available.

Their immediate response, fine care and sincere concern for victim and family are truly commendable. Our city can be very proud of them.

Mrs. Amy M. Schaal  
917 Polk St., Albany

Editor, The Times:

I would like to thank you for the publicity you gave to "Project Friendship" in your last issue. I believe that this project can be helpful in integrating the Village residents more fully into the community.

There is one section in your article, however, which I think requires clarification. The general statement that "... students react alike, think alike ..." implies a type of conformity which I have never found to exist in this student community. I was referring specifically to student reaction towards false or misleading advertising, either in the world of business or in politics. In general, students are extremely independent in their thinking and represent a wide diversity of opinion. This is especially true in University Village where most of the students are mature enough in years and thinking to be conducting original research for advanced degrees.

## Teresa Ann Clancy Marries Frank Eugene Sauer Jr.

Recent rites at St. Mary Magdalene's Church in Berkeley united in marriage Teresa (Terry) Ann Clancy, daughter of Mr. and Mrs. Camillus J. Clancy of 1008 The Alameda, and Frank Eugene Sauer Jr., son of Mr. and Mrs. F. E. Sauer of 5222 East 14th Street, Oakland.

The Rev. Walter Martin, pastor of the church, officiated.

Given in marriage by her father, the bride wore an ivory satin sheath with organza bouffant overskirt and train, which she had designed. Her shoulder length

veil fell from a coronet of pearls and aurora borealis. She carried a cascade of stephanotis centered with a white orchid.

Miss Margaret Clancy of Berkeley, sister of the bride, was maid of honor. Other bridal attendants were Miss Sheila McPartland and Mrs. Richard Rocchio, both of Oakland. The three wore lavender organza over satin sheaths with bouffant peplums, lavender whimsy hats and carried gladioli in deeper shades of lavender.

Donna Knight of Redding, niece and God-daughter of the bride,

was flower girl wearing a lavender dotted swiss frock with bouffant skirt. She carried a nosegay of lavender gladioli. Ring bearer was Tony Arnold, cousin of the bridegroom.

Rick Rosefield of San Leandro was best man. Ushers were Richard Rocchio and Steve Kanewske of Oakland and Cullen Arnold and Bob Daly of Richmond. The Oakland men are Alpha Phi Beta fraternity brothers of the bridegroom and the Richmond men, his cousins.

The bride's mother wore a gold sheath with olive accessories and an orchid corsage. The mother of the bridegroom wore pale green and white with an orchid corsage.

A reception followed at the Brazilian Room of Tilden Regional

Park. Following a wedding trip to Laguna Beach, the couple is at home in Oakland.

A 1957 graduate of Berkeley High School, the bride attended Oakland City College, where she was a student body public relations officer, yell leader, a member of play casts, the Honor Society and active in Theta Chi Epsilon sorority. She is majoring in drama and speech at San Francisco State College.

The bridegroom was graduated from Castlemont High School, attended Oakland City College and is majoring in Sociology, preparing for work in probation and parole at Alameda County State College. He was married on his 25th birthday.
